

**2018 Covenant Annual Meeting
Clergy Lifetime Service Recognition**

Because the denomination calls, credentials and sends individuals into ministry, we feel that it is most appropriate that very community of pastors and congregations join together at each Covenant Annual Meeting to honor a group of those clergy who have offered lifetimes of faithful service and godly obedience. Therefore, on behalf of the Evangelical Covenant Church and Ordered Ministry, the 133rd Annual Meeting would like to honor the following individuals:

- | | |
